Polling District	Organisation	Comment
Burton – In – Lonsdale (BEN1)	Burton in Lonsdale Parish Council	No comments to offer at this time
Airton (GAM1)	Airton Parish Meeting	No representations to make
Draughton (BAF7)	Draughton Parish Council	No representations to make
Skipton East No.1 (SKE1)	Skipton Town Council	Youth & Community Centre, Otley Street – a reasonable central location with some adjacent parking provision and good access. Recommend its retention
Skipton East No.2 (SKE2)	Skipton Town Council	St. John Hall, Shortbank Road – not actually within Ward. The Town Council believes there is a more appropriate location and suggests either the Air Cadets Centre, Moorview Way or the Yorkshire Housing Community Centre, Moorview Way.
Skipton South Nos. 1 & 2 (SKS1) (SKS2)	Skipton Town Council	Both the Children's Centre, Brougham Street and the Greatwood and Horseclose Community Centre are well located and should be retained.
	Councillor Andy Solloway	South Ward is well catered for, both Polling Stations are ideal and the very best they could be.
Skipton West No.1 (SKW1)	Skipton Town Council	Broughton Road Community Centre – a well-known and easily accessible location which should be retained.
Skipton West No.2 (SKW2)	Skipton Town Council	Christ Church Hall, Keighley Road – although there are some issues with parking and access this location adequately serves electors in the surrounding streets and should be retained.
		The Town Council has suggested that an additional polling station is required in Skipton West Ward to serve the residents of Burnside Estate and Carleton Park. The DVLA Driving Test Centre, Brooklands School and NYCC's Jubilee House are suggested as possible locations.

	Councillor Andy Solloway	Suggest consider using the White Church on Carleton Road to serve Burnside Estate, Carleton Park and Lower Keighley Road area.
Skipton North No.1 (SKN1)	Skipton Town Council	Town Hall – centrally located and better located than the Three Links Club. Should be retained (assuming will be available for election purposes).
Skipton North No.2 (SKN2)	Skipton Town Council	Youth & Community Centre, Otley Street – a reasonable central location with some adjacent parking provision and good access. Recommend its retention.
Skipton North No.3 (SKN3)	Skipton Town Council	Overdale Park – very well placed to serve the park where accessibility for the many elderly residents is important. Recommend its retention.
		The Town Council has suggested that an additional polling station is required in Skipton North Ward to serve the residents of Gargrave Road/Raikes. Craven Swimming Pool is suggested as a possible location.
	Councillor Andy Solloway	Suggest consider locating a polling station at Belle Vue Mills to serve the residents at Gargrave Road and Belmont Bridge and a more local polling station for the Rockwood and Grassington Road electors.

Councillor Turner has asked that we address the anomaly when West Ward and part North Ward were amalgamated. She says that "*the Raikes Road half in the original West Ward should be joined with the other half and the area from there to Grassington Road should be joined in Skipton North Ward 1*".
