

Craven Local Plan Draft 22/9/14

Feedback Form

Please use this form to provide feedback on the draft Craven Local Plan (22/9/14 version). It will help us to organise and interpret your comments, so that we can put them to good use in making the next version of the draft local plan even better. Emails, letters and written statements are not, as a general rule, the most effective ways of providing us with useful feedback, but, if you choose these methods, please use them to address the three all-important questions we've posed on this form: **What? Why? How?**

You can type your comments in the boxes on the next page, or write them on a hard copy. Use a fresh copy of the page for each item you're commenting on – which could be a section, some text, a diagram, a policy or a map – and feel free to create as many copies as you need.

It's useful to have some basic information about the people who contact us, so we'd like you to fill in the details below. However, if you prefer not to, we'll still accept your feedback.
