

how can we help you

Make your first port of call to one (or more) of our information centres or local information points. There is a network of over 30 information bases with a range of services available. To help you find what information you need, the centres fall into two categories and the services you can expect include:

INFORMATION CENTRE SERVICES

Centres which carry this symbol offer the whole range of services, where knowledgeable staff and volunteers have local and regional details. They are networked to other centres throughout England and they provide:

Local Bed Booking Service:

local booking in the Dales, latest vacancies for B&B from hotels to farmhouses, self catering cottages, camping/caravan sites, bunk barns, etc.

BABA Book a Bed Ahead Service:

a service for personal callers wishing to reserve accommodation anywhere in the UK through other TICs.

Information on:

what to do and see in the area, where to go walking, guided walks, events and activities, public transport, places to eat, etc.

Range of merchandise:

maps and walks leaflets, town guides, trails, natural history and history booklets, postcards and souvenirs. Some sell clothing and craft items.

Look out for this symbol:

these centres have 24 hour touch screen information terminals so you can find out answers to queries outside normal opening hours, including accommodation availability.

LOCAL INFORMATION POINTS

are often located in post offices, shops and other services (see map for locations). Here you can expect to find help with information on the immediate area. These are marked on the map on the inside front cover of this brochure and are detailed in The Visitor 2005.

THE VISITOR 2005

Wherever you go in the Yorkshire Dales, remember to pick up a free copy of The Visitor 2005. It contains information on what to do and see in the area, including details of local village shows, guided walks, national park family events and other things to do.
