- 3.1 The Localism Act 2011 has made significant changes to the Local Government Finance Act 1992, and now requires the billing authority to calculate a Council Tax requirement for the year, not its budget requirement as previously.
- 3.2 The precept levels of other precepting bodies have been received. These are detailed below:
- 3.3 **Town & Parish Councils**
The Town & Parish Council Precepts for 2021/22 are detailed in Appendix A and total £1,439,790. The increase in the average Band D Council Tax for Town and Parish Councils is 1.52% and results in an average Band D Council Tax figure of £64.38 for 2021/22 (£63.62 2020/21).

3.7 This action flows from the approval of the budget. The wording of the recommendations are largely prescribed.

4. Financial and Value for Money Implications

4.1 The District Council's element of the Council Tax has been increased by £5 compared to last year's Band D amount and applied pro rata to all other bands.

5. Legal Implications

5.1 The Council has a statutory requirement to set the Council Tax for the 2021/22 financial year by 11th March 2021 in accordance with the Local Government Finance Act 1992.

5.2 This ties in with the need to agree a balanced budget. In addition, there are requirements in Section 25 of the Local Government Act 2003 for reports to be presented to the Council on the robustness of the estimates, and on the position on reserves and balances. These matters were covered in the report to Policy Committee on the 2nd February 2021.

6. Contribution to Council Priorities

6.1 None arising directly from this report.

6.2 Impact on the declared Climate Emergency

Setting a Council Tax level to allow service provision without significant investment from the Council's own reserves, will allow for investment in future developments and projects that will contribute to a reduced Carbon Footprint.

7. Risk Management

7.1 If the Council does not set the Council Tax for 2021/22 by 11th March 2021 it will be in breach of its statutory duty.

7.2 Chief Finance Officer (s151 Officer) Statement

The report formally sets out the calculations and elements making up the total Council Tax levels to be collected, as required by statute. The council's proposed level of Council Tax increase has been assumed in the budget calculations for 2021/22.

7.3 Monitoring Officer Statement

It is a Council function to determine the level of Council Tax and to set a balanced budget.

8. Equality Impact Assessment - The Council's Equality Impact Assessment

COUNCIL MEETING – 23 February 2021**Calendar of Meetings for 2021/22****Report of the Democratic Services Manager****Lead Member for Internal Services –
Councillor Sue Metcalfe**

Ward(s) affected: Not applicable

1. Purpose of Report

1.1 To present the Calendar of Meetings for 2021/22 for Members' approval.

2. Recommendations –

2.1 That the Calendar of Meetings for 2021/22, as appended to this report, is approved.

2.2 That at the first meeting of the new municipal year, Committees and Sub-Committees agree the start time for their meetings for the 2021/22 municipal year.

3. Report

3.1 Each year, Council approves a Calendar of Meetings for the new municipal year. The Calendar of Meetings for 2021/22 is attached as an appendix to this report and is broadly based on the format for the current municipal year 2020/21.

3.2 Members are asked to note and consider the following points:

- The pressure on room availability at Belle Vue Square due to weddings, planning inquiries and other events.
- That wherever possible Planning Committee meetings have been scheduled to take place on a Monday.
- That in light of feedback received from the Peer Review of Planning Services there is also an option to consider rescheduling Planning Committee meetings to a Wednesday at 4.00pm (identified in the Calendar of Meetings as option two). Members will need to consider whether such a change is likely to address key actions identified in the Planning Improvement Action Plan to shorten the length of meetings, increase focus and quality of debate and enable more time to deal with last minute information.
- A reserve date is provided for the July Audit and Governance Committee meeting to agree the Statement of Accounts.
- In addition, a reserve date is provided for the February Policy Committee meeting to agree the budget.

- A reserve date is also provided for the February Council meeting to agree the level of Council Tax.
- All Council and Committee meetings are currently scheduled to take place remotely. Room bookings for all meetings in 2021/22 have also been made to allow for a potential change in government regulations.

3.3 Council authorises Committees and Sub-Committees at the first meeting of the new municipal year to agree the start time for their meetings for the remainder of the municipal year.
