

## **Planning Committee**

**4<sup>th</sup> July 2022**

### **Meeting Cancelled**

With the agreement of the Chair, Councillor Carl Lis, the Planning Committee scheduled for Monday July 4<sup>th</sup> has been cancelled.

The meeting had been due to discuss planning applications 2022/23773/FUL and 2021/23571/FUL.

Application 2022/23773/FUL is for the conversion of two former agricultural barns and the construction of three market dwellings with associated off street part and associated infrastructure on land at Town End Barn, Colne Road, Glusburn.

However, due to issues regarding ownership of the access strip and the requirement for further clarification, it has been decided that, in the circumstances, the best course of action is to withdraw the item from the agenda. Taking this action leaves only one application 2021/23571/FUL on the agenda which will now be considered at the next schedule meeting of the Committee which is on Monday 1<sup>st</sup> August 2022.

We are sorry for any inconvenience, however it is important that Members have all the requisite information in front of them to be able to determine the application.
