PROOF OF RIGHT TO WORK IN THE UK IMMIGRATION ACT 2016

On 1st December 2016, the Immigration Act 2016 relating to hackney carriage and private hire driver licences, and private hire operator licences came into force.

The Immigration Act 2016 means that the Council as a licensing authority is now under a legal duty to ensure that driver and operator licences are not issued to people who are illegally present in the UK, who are not permitted to work, or who are permitted to work but are subject to a condition that prohibits them from holding such a licence. The Council must comply with this legal requirement by carrying out 'right to a licence' checks.

The Act has also added immigration offences and penalties to the list of grounds on which driver and operator licences may be suspended or revoked by the Council and has also made it a criminal offence not to return a licence to the Council where a licence expires, is suspended or revoked on immigration grounds.

Who must have a right to a licence check?

The Council must check that applicants are entitled to hold a licence. This includes all nationalities, including UK citizens, who hold a hackney carriage or private hire driver licence, or a private hire operator licence.

The check must be performed when an applicant first applies for a driver or operator licence or applies to renew their current licence after 1 December 2016.

All drivers and operators will only need to have the check carried out once, unless there are restrictions on the length of time you may work in the UK. If this is the case your licence will not be issued for any longer than the period of time you are entitled to work in the UK and the check will be repeated each time you apply to renew your licence.

How will the right to a licence check be completed?

On application for a driver or operator licence you must attend the Licensing Office in person and provide us with a suitable document, which shows your right to remain and work in the UK. The Council is required to:

1. Obtain the original document
2. Check the document(s) in the presence of the applicant and
3. Make and retain a clear copy of the document(s)

We are not permitted to re-use copies of documents that we already have on file or have seen before.

What documents can I use for the right to a licence check?

If you produce a document from List A this means there are no immigration restrictions on your right to work in the UK. Once the Council has undertaken the necessary check, and retained a copy of your document, you will not have to repeat the check when you subsequently apply to renew your licence.

List A	
1.	A passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK.
2.	A passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.

6.	A current passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
7.	A current Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, together with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
8. 10.	A certificate of registration or naturalisation as a British citizen, together with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

If you produce a document from List B this means there are immigration restrictions on your right to work in the UK. A licence may be issued (subject to statutory limitations) up to the expiry date of your permission to work in the UK. The Council will check your immigration status each time you apply to renew your licence.

List B

Craven District Council has appointed the following organisation to provide driver assessments.

The Blue Lamp Trust.

This does not provide a wheelchair assessment.

How much does it cost?

£87

What does the test consist of?

The assessment consists of a driving licence and eyesight check followed by a 45 minute driving test across a variety of road types. Each candidate will be asked to perform two reversing manoeuvres and possibly an emergency stop. A maximum of 9 driving faults are allowed and a high level of driving competence is required to pass.

How do I book?

By calling **0300 7770157** (Monday to Friday 09.30 –16.00) or by booking online at:-

- Visit the above website address for Blue Lamp
- This takes you to a page for 'Taxi Driver Assessments'.

- This brings up an 'Online Booking Form', before taking you to a secure payment page to pay the fee.

After booking, you will normally be contacted within 5 working days by an approved Driving Assessor in your local area to arrange a convenient date and time for your assessment.

Please note you must take your driver's licence with you, which must be presented before the assessment. Your licence should be at your current address and in date. If you have the older style paper licence then you will need to take an appropriate form of photo identification such as a passport.

You must provide a vehicle for the assessment which must be right hand drive, in a roadworthy condition and comply with current road legislation, i.e. taxed, tested, insured and fit for purpose.

Be punctual, if you are later than 5 minutes the test may be cancelled at the discretion of the assessor and you will be charged.

You may cancel or change the appointment date up to 5 working days prior to the test without incurring costs, after which you will not receive a refund and rebooking will attract the full fee.

Please allow one hour for the test.

Once you have passed your assessment you will be issued with a copy of your marking sheet that you will then need to produce at the Licensing Office. The Blue Lamp Trust will email an e-certificate directly to the Licensing Office.

Schedule 23 to Finance Act 2011 (Data Gathering Powers) and Schedule 36 to Finance Act 2008 (Information and Inspection Powers), grant HMRC powers to obtain relevant information from third parties. This includes licensing bodies being required to provide information about licence applicants.

Obtaining a new licence

If you are applying for a licence for the first time, you will not need to complete the tax check. However, we will ask you to read HMRC guidance on what you need to do to be properly registered for tax in the future and you will need to confirm you have done this.

Renewing a licence

From 4th April 2022, if you renew or apply for a subsequent licence under the same or a different licensing body, you will need to do a tax check. You will be able to do this online and you will need to do it yourself i.e. an agent/accountant cannot do it on your behalf.

About the tax check

You will be able to complete this tax check on GOV.UK, through your Government Gateway account. If you do not already have a Government Gateway account, you can sign up on GOV.UK

The tax check should only take a few minutes. You will only need to answer a few questions to tell HMRC how you pay any tax that may be due on income you earn from your licensed trade. There will be guidance on GOV.UK, and anyone who needs extra support will be able to complete the tax check by phone through HMRC's customer helpline.

When you've completed the tax check, you'll get a code. You must give this code to us as part of your application. **We cannot proceed with your licence application or renewal until the tax check is completed and we have received the code.** We will only receive confirmation from HMRC that you have completed the tax check. **We will not have access to any information about your income, finances or tax affairs.** Once you obtain the tax check code, it is valid for 120 days.

What you need to do

If you have not registered to pay tax on earnings from your licensed trade, please go to www.gov.uk to check if you need to register as soon as possible:

- If you are an employee, find information on PAYE (Pay as You Earn) at <https://www.gov.uk/income-tax/how-you-pay-income-tax>

- If you are self-employed, find information on registering for Self-Assessment at <https://www.gov.uk/register-for-self-assessment>
- If you operate through a company, find information on Corporation Tax at: <https://www.gov.uk/corporation-tax>

If you should have been registered to pay tax and have not been, HMRC will work with you promptly and professionally to get you back on the right track. It is your responsibility to get your tax right, but HMRC are there to help.

You can get help from HMRC if you need extra support, for example if you need information in a different format or need help filling in forms. By going to www.gov.uk and search 'Get help from HMRC if you need extra support'.
