

Statutory and Senior Officers' Employment Committee Tuesday, 29 November 2022 at 5.00pm (Belle Vue Suite)

Membership: Councillors Foster, Mulligan, Madeley, Myers and Solloway

Independent Persons (non-voting): John Boumphrey and Roger Millin.

AGENDA

- **1. Apologies for Absence** To receive any apologies for absence.
- 2. **Declarations of Interest** All Members are invited to declare at this point any interests they have on items appearing on this agenda, including the nature of those interests and whether they wish to apply the exception below.

(Note: Declarations should be in the form of either:

- a "disclosable pecuniary interest" under Appendix A to the Code of Conduct, in which case the Member must leave the meeting room; or
- an "other interest" under Appendix B of the Code. For these interests, the Member may stay in the meeting room, although they must leave if membership of the organisation results in a conflict of interest.

(Exception: Where a member of the public has a right to speak at a meeting, a Member who has a disclosable pecuniary interest or an other interest and must leave the room, has the same rights and may make representations, answer questions or give evidence, but at the conclusion of that, must then leave the room and not take part in the discussion or vote.)

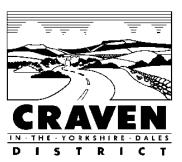

3. Local Government Reorganisation – Head of Paid Service and Chief Executive - To seek approval to enter into a redundancy settlement agreement with Paul Shevlin, the Council's Head of Paid Service and Chief Executive ("HoPS") in the context of Craven District Council being dissolved as a result of local government re-organisation and the post of the Council's HoPS ceasing to exist as of 1 April 2023.

Statutory and Senior Officers' Employment Committee – 29 November 2022

Local Government Reorganisation – Head of Paid Service and Chief Executive

Report of the Solicitor to the Council (Monitoring Officer)

Ward(s) affected: All

- 1. Purpose of Report
- 1.1 To consider a matter in accordance with the Committee's Terms of Reference.
- 1.2 To seek approval to enter into a redundancy settlement agreement with Paul Shevlin, the Council's Head of Paid Service and Chief Executive ("HoPS") in the context of Craven District Council being dissolved as a result of local government re-organisation and the post of the Council's HoPS ceasing to exist as of 1 April 2023.
- **2. Recommendations** Members asked to recommend to Council, that:
- 2.1 the proposed settlement terms set out at paragraph 3.15 of this report are approved
- 2.2 delegated authority is granted to the Solicitor to the Council (Monitoring Officer) to enter into a settlement agreement on these terms with the HoPS/Chief Executive.
- 2.3 delegated authority is granted to the Solicitor to the Council (Monitoring Officer) to amend the redundancy and payment in lieu of notice figures in the settlement agreement, in consultation with the Leader and s151 Officer, to correct any errors to a maximum of 10%

In reaching the recommendation the Committee noted

2.4 the analysis at Appendix A

- 2.5 the proposed payments are only those to which the HoPS/ Chief Executive is legally entitled and that the analysis (called the business case in the Council's policy) has been prepared for transparency reasons and the statutory guidance on the making and disclosure of Special Severance Payments by local authorities in England (SSP) has been considered.
- 2.5 a copy of the analysis at Appendix A has been provided to the Council's external auditors and North Yorkshire County Council.

3. Report

- 3.1 The Terms of Reference for this Committee include 'to make recommendations to Council as to the dismissal of Head of Paid Service, the Chief Finance Officer and/or Monitoring Officer'.
- 3.2 The Local Government Restructuring Guidance on Staffing Issues dated June 2008 (Staffing Guidance) explains that the Council is entitled to offer voluntary early redundancy to employees who wish to terminate their employment and receive a financial severance package resulting in the contract being terminated by mutual agreement. This has happened in a number of other areas subject to reorganisation.
- 3.3 More specifically the Staffing Guidance states, "Any chief executive of a predecessor council for whom there was no suitable alternative post on transfer is likely to be made redundant. There is, however, nothing to prevent a chief executive (or other senior officer) of a predecessor council from reaching agreement with their existing employers on terms of severance, if they wish to leave before the reorganisation date, though we would expect the agreement of the Implementation Executive or Shadow Council to be obtained, perhaps within the context of a local protocol on staffing issues."
- 3.4 The proposed settlement is considered to represent value for money by ensuring that the HoPS/ Chief Executive remains in office and engaged to enable the Council to continue to deliver its services until 31 March 2023; that there is a smooth transition to the new authority; and contractual and statutory payments to the HoPS/ Chief Executive are paid to him as result of the termination of his employment on the grounds of redundancy.
- 3.5 Whilst the proposals do not encompass payments other than those to which the HoPS/ Chief Executive has a legal entitlement (i.e. contractual and statutory rights to such payments), the HoPS/ Chief Executive has no contractual entitlement to be paid in lieu of notice. The HoPS/Chief Executive is however entitled to be paid notice and in the circumstances there is no reasonably practicable alternative as there is no role for him to perform after 31 March 2023. In the interests of good governance and transparency, the proposed payment to the HoPS/ Chief Executive of his notice has been assessed against the considerations for making SSPs as contained in the government guidance

referred to earlier and the response to each one is set out in the appended business case.

- 3.6 Whilst section 24 approval may not be required, officers are of the view that the County Council should be informed not least in the interests of transparency, good governance and in recognition of the fact that ultimately all District and Borough Council assets and funds are publicly owned and will transfer to the County as the continuing authority.
- 3.7 The following alternative proposals have been considered in writing this report:
 - a. North Yorkshire County Council is the continuing authority and its position is that the officer holder for HoPS will not transfer to the new authority on 1 April 2023. As such the new authority are likely to refuse to recognise him as an employee on 1 April 2023, leaving him, as an employee (as Chief Executive) effectively stranded. This approach does not recognise that the officer holder is also an employee with rights to transfer. The legal advice that the Council has received is that this will inevitably lead to an automatically unfair dismissal claim causing unnecessary conflict, senior officer time and a waste of public funds as explained in the appended business case.
 - b. If North Yorkshire County Council were to change its view and the post holder transferred to the new authority on 1 April 2023, it will have no suitable alternative role, and the new authority as the employer will be able to terminate his employment lawfully on the grounds of redundancy. The new authority will then have three options being: (1) to employ him during the contractual period of notice (which will be difficult as there is no suitable role for him to undertake); (2) put him on garden leave during all or part of his notice; or (3) make a payment in lieu of contractual notice. The result is therefore likely to be financially the same as that proposed by this report with the difference being that the dismissal for reason of redundancy would take place after 1 April 2023 and be by the new employer being the North Yorkshire Council. In short, the proposal in the report recognises this and is a practical and pragmatic solution.
- 3.8 The North Yorkshire (Structural Changes) Order 2022 ("SCO") provides for the establishment, on 1 April 2023, of a single tier of local government in the county of North Yorkshire. The existing seven district areas within North Yorkshire are to be abolished as local government areas and replaced by a single district area coterminous with the county. All seven district councils in North Yorkshire (Craven, Hambleton, Harrogate, Richmondshire, Ryedale, Scarborough and Selby) are therefore to be wound up and dissolved. From 1 April 2023 North Yorkshire will be administered by a single county council, the North Yorkshire
- 3.9 As the Council remains the sovereign authority responsible for delivery of its existing statutory and discretionary services up until and including 31 March 2023, there is no diminished or ceasing requirement for the HoPS to perform

Council.

his role. It is therefore not envisaged that a redundancy situation will arise before 31 March 2023.

- 3.10 Whether a post is or should be declared redundant is a matter for the relevant employer to seek to agree or implement. Dismissals of the HoPS is a matter for Council to determine.
- There is a difference in legal view as to the interpretation of The Local Government (Structural and Boundary Changes) (Staffing) Regulations 2008. The County Council's view is that the correct interpretation of these regulations is that the HoPS is in a unique position and does not transfer under TUPE. However, the Council together with the other District Councils has received external legal advice that the individual office holder of the HoPS role is also an employee (employed as Chief Executive) and it is their employment that does transfer under TUPE. The detail of that advice and the implications of the application of TUPE on the ability of an employer to lawfully and fairly dismiss an employee are set out in the attached business case. On either interpretation, there is by reason of local government reorganisation a 'redundancy' situation which will need to be funded by the public purse. The difference is whether the Council as existing employer meets that liability or the North Yorkshire Council as the new authority does a few weeks later. The liability and sums involved are the same (perhaps slightly more if North Yorkshire Council conduct the redundancy dismissal procedure).
- 3.12 Officers are aware that there have been Reports in the Public Interest (RPI) under section 24 and Schedule 7 of the Local Audit and Accountability Act 2014 on payments made by other councils which have raised concerns about the regularity and propriety of severance payments made in connection with the termination of the Chief Executive's employment. The proposals put forward in this report have been subject to external and independent legal advice and a copy of the business case has been shared with the Council's external auditors.
- 3.13 The legal advice is that the Chief Executive will as a matter of law TUPE transfer to the North Yorkshire Council on 1 April 2023. It would then be for the North Yorkshire Council to make the Chief Executive redundant. The settlement proposal clearly recognises the legal dispute and the practical challenges that flow in maintaining this position and essentially leaving it the Chief Executive to argue his case with North Yorkshire Council on 1 April 2023. The Committee is therefore being asked to agree to the redundancy payment and accept the liability that comes with that. Acting in this way accords with the pragmatism set out in the government guidance referred to above and addresses the uncertainty created by the difference in legal views as to the correct interpretation of the Staffing Regulations and the risk of costly legal proceedings (that will be picked up by the public purse).
- 3.14 There is no contractual right in the Chief Executive's employment contract for payment in lieu of notice. However, in the circumstances there is no reasonably practicable alternative as there is no role for him to perform after 31 March 2023.

- 3.15 On that basis it is therefore proposed that agreement be reached with the HoPS on the following terms
- (1) The HoPS object to any TUPE transfer to the new authority therefore removing the risk of the employee transferring "as a matter of law" to the new authority;
- (2) Notice to terminate by reason of redundancy be given on 31 March 2023;
- (3) The HoPS be paid £36, 393.10 in respect of his contractual notice period of 4 months but that this payment be paid in lieu of notice, there being no role for him to serve his notice out after 31 March 2023
- (4) The HoPS be paid his contractual redundancy payment of £43, 973.25
- (5) The HoPS ensure that he has no accrued but untaken holiday or at least he has made every attempt to take reasonable leave before 31 March 2023.
- (6) That any payments received are in full and final settlement of any employment related claim that as an employee he may have.

4. Financial and Value for Money Implications

4.1 The Financial and Value for money implications are clearly set out in the report and business case.

5. Legal Implications

5.1 These are set out in the body of the report.

("TUPE")

Regulations

The Employment Rights Act 1996 ("ERA")

The Local Government (Early Termination of Employment) (Discretionary Compensation) (England and Wales) Regulations 2006 (Compensation

Introduction This document sets out the business case for seeking approval for Craven Council (the "Council") reaching a redundancy settlement agreement with Paul Shevlin, the Council's Head of Paid Service and Chief Executive Officer ("HoPS".) The proposed settlement is in the context of the Council being dissolved as a result of local government re-organisation and the post of the Council's HoPS ceasing to exist as of 1 April 2023. In the interests of good governance and transparency this document has been prepared in accordance with government's May 2022 published statutory guidance on the making and disclosure of Special Severance Payments ("SSP") by local authorities in England. That guidance states that pay or compensation in lieu of notice, even where the amount of the payment is not greater than the salary due in the period of notice set out in the employee's contract may constitute a SSP, depending on the terms of the individual's contract. This analysis or business case also reflects the Redeployment, Retraining, Redundancy and Retirement Agreement (Craven District Council's Policy, 2018). This business case has also been prepared with the benefit of external legal advice from Browne Jacobson LLP and has been agreed with the Council's s151 officer and Monitoring Officer. The Council's external auditors Mazars have received a copy of this business case in advance of a Council decision on this matter. North Yorkshire County Council as the continuing authority have also received a copy in advance. 2 Background The North Yorkshire (Structural Changes) Order 2022 ("SCO") provides for the establishment, on 1 April 2023, of a single tier of local government in the county of North Yorkshire. The existing seven district areas within North Yorkshire are to be abolished as local government areas and replaced by a single district area coterminous with the county. All seven district councils in North Yorkshire (Craven, Hambleton, Harrogate, Richmondshire, Ryedale, Scarborough and Selby) are therefore to be wound up and dissolved. From 1 April 2023 North Yorkshire will be administered by a single county council, the North Yorkshire Council. The reorganisation is being implemented by the SCO in accordance with the Local Government and Public Involvement in Health Act 2007 (the "2007 Act") and the guidance and regulations made under the 2007 Act therefore apply including: The Local Government (Structural and Boundary Changes) (Staffing) Regulations 2008 ("Staffing Regulations") Local Government Restructuring – Guidance on Staffing Issues dated June 2008 ("Staffing Guidance") Also relevant are: The Cabinet Office's Staff Transfers in the Public Sector Statement of Practice January 2000 The Secretary of States' Direction for North Yorkshire made in accordance with section 24 of the 2007 Act The Transfer of Undertakings (Protection of Employment) Regulations 2006

8

- The Local Government Pension Scheme (benefits, Membership and Contributions) Regulations 2007 (Pension Scheme Regulations)
- The Localism Act 2011
- Redeployment, Retraining, Redundancy and Retirement Agreement (Craven District Council's Policy, 2018)

3 Redundancy Situation

Redundancy arises in one of the three scenarios set out in the ERA. In summary these are:

- where there is a business closure;
- where there is a workplace closure (closure of one of several sites, or relocation to a new site); or
- where there is a diminished requirement of the business for employees to do work of a particular kind.

Whether a post is or should be declared redundant is a matter for the Council as the relevant employer to seek to agree or implement. Dismissals of the HoPS for redundancy are specifically a matter for full Council to determine.

As the Council remains the sovereign authority responsible for delivery of its existing statutory and discretionary services up until and including 31 March 2023, there is no diminished or ceasing requirement for the HoPS to perform his role. Indeed the Staffing Guidance specifically acknowledges the importance that each authority subject to reorganisation continues to provide high quality services throughout the period pre and post reorganisation. It is therefore not envisaged that a redundancy situation will arise before 1 April 2023.

4. Application of TUPE and the implications thereof

TUPE contains the following provision that provides that it does not apply to an administrative reorganisation of public administrative authorities or the transfer of administrative functions between public administrative authorities

"An administrative reorganisation of public administrative authorities or the transfer of administrative functions between public administrative authorities is not a relevant transfer". (Regulation 3(5))

However, the Staffing Regulations (Regulation 3) and accompanying Staffing Guidance expressly state that TUPE applies to the process of local government reorganisation. More specifically under the Staffing Regulations the county council in North Yorkshire is now a "preparing council" and will then become a "single tier council" as defined in Regulation 2. Regulation 3 provides that:

"Subject to regulation 4(1) and notwithstanding regulation 3(5) of the TUPE Regulations, the transfer of functions from a predecessor council to a single tier council in connection with one or both of a structural change and a boundary change shall be treated for all purposes as a relevant transfer within the meaning of the TUPE Regulations, whether or not, apart from this provision, those Regulations would otherwise apply."

The intention behind the regulations being that staff who are subject to public sector transfers do so on terms that are no less favourable than those they enjoy immediately prior to the transfer. The HoPS of predecessor councils (which includes the Council) are therefore in principle subject to the application of TUPE and entitled to transfer on their existing terms and condition to the North Yorkshire Council.

Accordingly, unless the HoPS and Council as current employer agree or determine otherwise then the HoPS would be expected to transfer in accordance with the principles of TUPE as per with the Staffing Guidance on 1 April 2023. The North Yorkshire Council as the new employer would then be responsible for making and implementing any decisions as to redundancy.

If a redundancy takes place, ahead of 1 April 2023 the Council must be mindful that if such redundancies are by reason of the proposed transfer, it is likely to be automatically unfair in accordance with the principles of TUPE as there is no potential defence available (an Economic, Technical or Organisational reason entailing changes in the workforce ("ETO

reason")) to the Council pre-transfer. The ETO reason is for the North Yorkshire Council to establish. The North Yorkshire Council will likely have such a reason relating to the management or organisational structure adopted for the new authority and the fact that they have appointed the new HoPS, meaning that that office holding and employment role are not vacancies to which the transferring HoPS can transfer to (see immediately below).

Following a competitive process, on 17 August 2022 the North Yorkshire Council appointed the current NYCC Chief Executive (Richard Flinton) as the Chief Executive for the unitary Council.

The North Yorkshire Council maintain that there will be no suitable alternative post on transfer for the HoPS (though they also argue that TUPE does not apply and the HoPS has no right to transfer). We disagree with the position taken by North Yorkshire Council i.e. we believe that there are cogent legal grounds to maintain that the HoPS has the right to transfer their employment (Chief Executive role) to the new authority, and that there may be suitable alternative posts (such as suggested recently by ALACE, who represent some of the affected HoPS, that "their skills and experience" could be be brought to bear in "other senior roles such as the Corporate Director of Community Development ... or the Assistant Chief Executive, Local Engagement".

5. Options

Based on the fact that the new authority has appointed a new HoPS, the post of the current HoPS will be redundant and as such the following scenarios arise:

 The North Yorkshire Council will continue to claim that HoPS will not transfer to them on 1 April 2023 and will refuse to recognise them as an employee. That will inevitably lead to an automatically unfair dismissal claim in the employment tribunals causing unnecessary conflict and a waste of public funds.

Or

• The HoPS will transfer to the North Yorkshire Council on 1 April 2023 and as it is highly likely that the North Yorkshire Council will have no suitable alternative role (or will argue that no vacancies are suitable), the North Yorkshire Council as the employer will terminate his employment on the grounds of redundancy. The Council then have three options being: (1) to employ him during the contractual period of notice (which will be difficult); (2) put him on garden leave during all or part of his notice; or (3) make a payment in lieu of contractual notice.

Or

• If the HoPS wishes to leave local government service as a consequence of the reorganisation, the Council can agree that he may leave employment on 31 March 2023 on the grounds of redundancy and agree an exit package in exchange for waiving any claim for unfair dismissal.

6 Terms of employment

The HoPS commenced employment with the Council on 1 December 2008. For the purpose of the Redundancy Modification Payments Order 1993 his date of continual service is 1 December 2008. The HoPS annual salary is £105,669.

The HoPS contract of employment provides for a four month notice period. There is no contractual provision covering payment in lieu of notice. The notice period is the same as other Senior Officers at the Council.

The HoPS is a member of the Local Government Pension Scheme.

The Council has a policy and practice on the award of compensation which applies to <u>all</u> Council employees whose employment is terminated early, either on the grounds of redundancy or efficiency of the service. The policy provides that the Council will calculate

redundancy pay using the statutory scheme but will use the employee's actual weekly pay (as opposed to the capped week's pay provided for in the calculation of statutory redundancy). It further provides that the Council will only pay a redundancy payment where the employee has two years' continuous service and that the Council will not pay any other amount in compensation. The calculation and entitlement to redundancy payment is a term and condition of all employee's contracts of employment.

In a redundancy situation the HoPS is therefore entitled to the following sums:

14 years x 1.5 weeks x £3, 140.95 = £43,304.31

7. Proposed Way Forward

To consider this a redundancy situation which would enable the Council to consult with the HoPS as to redundancy and to serve notice on 31 March 2023 to terminate his employment by reason of redundancy.

Paragraph 6.3.7 of the Staffing Guidance states that,

"Any chief executive of a predecessor council for whom there was no suitable alternative post on transfer is likely to be made redundant. There is, however, nothing to prevent a chief executive (or other senior officer) of a predecessor council from reaching agreement with their existing employers on terms of severance, if they wish to leave before the reorganisation date, though we would expect the agreement of the Implementation Executive or Shadow Council to be obtained, perhaps within the context of a local protocol on staffing issues."

At paragraph 6.4.2 of the Staffing Guidance it states,

"The Government recognises that Implementation Executives and Shadow Councils may, in the interests of staff morale and in order to effect a smooth and efficient transition to single tier councils, wish to offer employees of affected councils the opportunity of taking VER [Voluntary Early Redundancy] in advance of the reorganisation date and including an appropriate financial package. The Government recommends that the Implementation Executive or Shadow Council should consider co-ordinating the offering of a VER scheme with the existing employers (though the decision to actually make any redundancy ultimately rests with the existing employer). The Government expects any predecessor council to co-operate fully with the Implementation Executive or Shadow Council in arranging for a VER scheme to be offered to its employees."

The guidance therefore confirms that the Council is entitled to offer Voluntary Early Redundancy to employees who wish to terminate their employment and receive a financial severance package resulting in the contract being terminated by mutual agreement. Indeed the guidance suggests that North Yorkshire Council as the new authority may wish to promote such an arrangement to take effect before the Vesting Date "to effect a smooth and efficient transition" and coordinate with predecessor Councils whilst acknowledging that the decision rests with the Council as the relevant employer.

For this reason it is proposed that a tri-partite agreement be reached between the affected HoPS, the Council and North Yorkshire Council for the dismissal by reason of redundancy of the HoPS ahead of vesting day. The terms of that agreement being:

- The HoPS object to any TUPE transfer to the new authority therefore removing the risk of the employee transferring "as a matter of law" to North Yorkshire Council
- Notice to terminate by reason of redundancy be given on 31 March 2023
- The HoPS be paid £36, 393. 10 in respect of his contractual notice period of four months but that this payment be paid in lieu of notice, there being no role for him to serve his notice out after 31 March 2023
- The HoPS be paid his contractual redundancy payment of £43, 973.25
- The HoPS ensure that he has no accrued but untaken holiday or at least he has made every attempt to take reasonable leave before 31 March 2023.

 Any payments received are therefore in full and final settlement of any employment related claim that as an employee he may have.

8. Application of Considerations in Government Guidance on SSPs

As a local authority the Council must comply with the duty of best value. In considering whether it is appropriate to make a payment, the government makes it plain in its guidance that local authorities should consider whether such a payment would be a proper use of public money. The Council therefore needs to be able to demonstrate the economic rationale behind any proposed payment including the considerations set out in the SSP Guidance. Whilst the proposals do not encompass payments other than those to which the HoPS has a legal entitlement (i.e. contractual and statutory rights to such payments), the HoPS has no contractual entitlement to be paid in lieu of notice. In the interests of good governance and transparency, the proposed payment has therefore been assessed against the considerations for making SSPs as contained in the government guidance and the response to each one is set out below.

SSP Guidance	Response
Consideration	
Is there any feasible possibility of exiting the individual at a lower cost?	The role of the HoPS is necessary whilst the Council is the sovereign authority delivering statutory and discretionary services – as such there is no diminished or ceasing requirement for the HoPS to perform his role during this period.
	The Staffing Guidance specifically acknowledges the importance that each authority subject to reorganisation continues to provide high quality services throughout the period pre and post reorganisation.
	Retaining key staff is important to ensure an orderly transfer of services to the new authority on 1 April 2023.
	The HoPS is represented by ALACE, a registered Trade Union and has been advised by ALACE that he is entitled to TUPE transfer to the new unitary authority.
How will the exit payment be perceived by the public and is it in line with the duty to manage taxpayers' money appropriately?	The payment reflects the HoPS's legal entitlement and does <u>not</u> contain any ex gratia element. The only proposed payment to be made that is not contractual is a right to a payment in lieu of notice. Whilst there is no contractual right to a payment in lieu of notice (as opposed to the right to a paid notice period), there is no role for him to work his notice.
	The payment accords with practice elsewhere in local government re-organisation.
What alternative use could be made of that expenditure?	The Council has a legal obligation to meet its employment law liabilities.
Will it set any potential precedent (e.g. where a payment is made to certain employees and not others)?	The HoPS is a unique position as are the circumstances of local government reorganisation. No other employee faces the argument put forward by North Yorkshire Council that they have no right to transfer under TUPE. It is therefore unlikely to set any precedent

What is the legal advice on	In any event the HoPS is only receiving such sums as he is legally entitled to and in this respect all employees will be treated equally with their employment law rights protected and observed. Browne Jacobson provided independent legal advice and their
the prospects of successfully defending an Employment Tribunal claim (or claim to any other court or tribunal with jurisdiction), if an employee were to take a legal route to appeal any grounds of their employment being terminated? The chance of success and the costs likely to be incurred should be noted and weighed up against the costs of	view is that TUPE applies (to the employment role i.e. Chief Executive role – not the office holding of Head of Paid Service) and therefore should the HoPS bring legal proceedings in respect of any dismissal pre-vesting day the HoPS would succeed in establishing automatic unfair dismissal entitling the HoPS to compensation for loss of employment. However, the the maximum statutory compensation for an unfair dismissal, is currently capped at £93,878. Given the unusual facts there will be extensive legal arguments on the application of TUPE and then of course whether the HoPS lost the opportunity to be redeployed with North Yorkshire Council as a result of his dismissal by the council prevesting day. In addition to compensation, the Council would incur extensive legal costs and incur senior management time on a matter that should be resolved amicably.
making a payment	In all the unique circumstances of this case it is proportionate, efficient and in the interests of the council to seek to settle
Are payments being used to avoid management action, disciplinary processes, unwelcome publicity or avoidance of embarrassment?	There is no disciplinary or management issue. The payment will require approval by full Council and be disclosed in a publicly available report.
Manage conflicts of interest to ensure that individuals who are the	The HoPS is represented by ALACE who have made representations on his behalf as to the application of TUPE.
subject of complaints play absolutely no role in deciding whether those complaints should be	These proposals are based on external and independent legal advice but happen to align with the advice ALACE has provided to their member.
settled by making an award to the complainant from public funds.	The Council will consult 2 independent persons who are invited to attend and speak at the Statutory and Senior Officer's Committee before a decision is made.

21 November 2022 – Lisa Lord, Solicitor to the Council (Monitoring Officer)
