PARK RULES FOR
THREE PEAKS RESIDENTIAL PARK, INGLETON, LANCASHIRE LA6 3DL

Preface

In these rules:

“occupier” means anyone who occupies a park home, whether under an Agreement to which the Mobile Homes Act 1983 applies or under a tenancy or any other agreement

“you” and “your” refers to the homeowner or other occupier of a park home

“we” and “our” refers to the park owner.

These rules are in place to ensure acceptable standards are maintained on the park, which will be of general benefit to occupiers, and to promote and maintain community cohesion. They form part of the Agreement by which homeowners occupy the pitch in accordance with the Mobile Homes Act 1983, as amended.

With one exception the rules also apply to any occupiers of park homes who rent their home.

The only rule which does not apply to occupiers who rent their home is rule 26 about the colour of the exterior of the home, as someone renting their home would not be responsible for exterior maintenance.

None of these rules is to have retrospective effect. Accordingly:

- they are to apply only from the date on which they take effect, which is 26th May 2016; and
- no occupier who is in occupation on that date will be treated as being in breach due to circumstances which were in existence on that date and which would not have been a breach of the rules in existence before that date.

These rules also apply (for so long as they live on the park) to the park owner and any employees.

Condition of the Pitch

1. For reasons of ventilation and safety you must keep the underneath of your home clear and not use it as a storage space.

2. You must not erect fences or other means of enclosure unless they are capable of being erected without planning permission and are in a style and keeping with other fences or means of enclosure already at the park so as to maintain a consistent appearance and you have obtained our approval in writing (which will not be unreasonably withheld or delayed). You must position fences and any other means of enclosure so as to comply with the park’s site licence conditions and fire safety requirements.
3. You must not have external fires, including incinerators but you may use chimineas and barbecues provided that they are not left unattended whilst alight.

4. You must not keep inflammable substances on the park except in quantities reasonable for domestic use.

5. You must not keep explosive substances on the park.

**Storage**

6. Subject to any requirement for planning permission, you must not have more than two storage sheds or two storage receptacles or one shed and one storage receptacle on the pitch. Where you source the shed yourself the design, standard and size of the shed must be approved by us in writing (approval will not be withheld or delayed unreasonably). You must position the shed so as to comply with the park’s site licence and fire safety requirements.

7. Any receptacles for the storage of domestic waste pending collection by the local authority shall be located within your pitch.

8. You must ensure that any sheds or other structure erected in the separation space between park homes is of non-combustible construction and positioned so as to comply with the park’s site licence conditions and fire safety requirements. The separation space is the space between your park home and any neighbouring home.
