Additional Information Received

Further to the details in the officers report and submitted plans it has been agreed by the applicant via his agent that all the front elevations of the houses shall be wholly built in stone i.e. not part rendered as shown on plan. Amended plans have now been received showing this agreed amendment

Amendments to the Report or Recommendation

Condition 1 of the recommendation to be amended to include the revised drawing number.

Planning Ref. 63/2015/15837

Proposal. Flood alleviation scheme Skipton

Additional Information Received

Plan submitted by the consulting engineers showing the underground reservoir. The plan is based on a survey, but the full survey report has not been produced. The engineers advise that the dimensions and levels are reasonably accurate but not exact. It is not considered that on the basis of the submitted plan that the reservoir has any impact on the proposed development.
