**REDUCTIONS TO PAYMENTS**

If the application is being made on behalf of a non-profit making sports club for works for playing fields not involving buildings then the fee is £385

If the application is being made on behalf of a parish or community council then the fee is 50%

If the application is an alternative proposal being submitted on the same site by the same applicant on the same day, where this application is of lesser cost then the fee is 50%

In respect of reserved matters you must pay a sum equal to or greater than what would be payable at current rates for approval of all the reserved matters. If this amount has already been paid then the fee is £385

If the application is for a Lawful Development Certificate for a Proposed use or development, then the fee is 50%

If two or more applications are submitted for different proposals on the same day and relating to the same site then you must pay the fee for the highest fee plus half sum of the others

Where an application crosses one or more local or district planning authorities, the Planning Portal fee calculator will only calculate a cross boundary application fee as 150% of the fee that would have been payable if there had only been one application to a single authority covering the entire site.  
If the fee for this divided site is smaller when the sum of the fees payable for each part of the site are calculated separately, you will need to contact the lead local authority to discuss the fee for this divided site.  
The fee should go to the authority that contains the larger part of the application site.
