### How to book

Booking your accommodation is easy and can be done in any of the following ways:

- Email or telephone your chosen accommodation. Contact details can be found on each individual entry.
- Online many accommodation providers have booking facilities through their websites.

Please be aware that all information is supplied by the accommodation providers and although every effort has been made to check that ratings and prices are up to-date at the time of publication, they may change throughout the year and therefore we recommend that you check before making your booking.

We naturally hope that you will not have any cause for complaint during your stay, but inevitably problems do occur from time to time. If you are dissatisfied it is imperative that you make your dissatisfaction known to the accommodation provider straight away. This gives an opportunity for the problem to be dealt with during your stay.
