What Do Our Customers Say About The Programme?

"I would recommend this programme to anyone who wants to lose weight and eat healthily at the same time. The whole format suited me with a weigh-in then a discussion on a different healthy eating topic each week, followed by half a hour or so of exercise. At the end of the 12 weeks, thanks to Kyle's help and support and that of the others in the group, I lost almost 11 kilos"
