Important Information For Owners Of The Vault Lease

The Vault Lease is for 30 years.

Inscriptions

An additional inscription may be added at any time within the lease period and this would be in the form of a replacement plaque. The original plaque will become yours to keep.

The Council reserve the right to refuse or alter any inscription considered unsuitable.

The memorial plaque is the property of the purchaser who may collect the plaque (but not the Vault) after the expiry period, OR when the plaque has been adjusted to accommodate a second inscription.

As the cremated remains are within a Vault (and above ground) they can be retrieved at any point, however, only with the Vault owner's permission and in consultation with Bereavement Services Office.

Insurance

Although the risk of damage to your memorial is low, it is recommended that you take out an insurance policy to cover any eventualities such as theft of, or damage to your memorial, as the Council are not responsible for your memorial.
