Robert

I can confirm that Craven District Council have not made any comments as part of the Reg 16 consultation. CDC have worked closely with Gargrave PC in preparing the submitted plan and have submitted comments on pre submission drafts of the NP, which have fed into preparation of the submitted NP.

Kind regards
Ruth

Thank you for the copies of the Regulation 16 responses.

Can you clarify whether there are any comments from the District Council as part of the regulation 16 consultation. I can see there are comments from Craven DC in Table 1 of the Consultation Statement but these appear to be pre-submission(Reg 16). comments.

regards

Robert

Hi Robert

I am unsure why the Consultation Statement that Gargrave PC have published on their website is dated June 2018. I have had a quick look through both versions and they do look the same. Perhaps the Parish Council dated it June as this was when it was uploaded to their website?

The Consultation Statement that was submitted by Gargrave PC to CDC is dated May 2018 and this version is included in on the CDC website and is the version I sent through to you along with the other submission documents. As the May version was the one that has been formally submitted to CDC prehaps this is the one that should be used for the Examination?

Kind regards
Ruth

Ruth

I have noticed that the Consultation Statement you sent is dated May 2018 and yet there is one on the Parish Council website titled "Final Consultation Statement" and dated June 2018 ?

Can you clarify which one is for the examination ?

I look forward to receipt of the Reg 16 representations.

many thanks

Robert

Please accept my apologies, I just realised I have just sent you information that I already sent you and that your most recent email relates to access to the representations received on the Gargrave NP.

I will endeavour to send these through over the next couple of days.
