Email 171218 from Programme Officer re LGS sites

From: Tony Blackburn
Sent: 17 December 2018 19:14
Cc: Sian Watson; David Sykes
Subject: Craven Local Plan - Local Green Space at Skipton and Hellefield

This email is addressed to those who made representations at Publication stage regarding Policy ENV10 and also those who were listed to attend the relevant hearing session on Thursday 25 October. There is now a time limited opportunity for those of you with an interest in the following two locations to contribute further:

Site SK-LGS64 Land north of Skipton
Site HE-LGS1   Land west of Hellefield.

Following the hearings the Inspector considered the evidence and contributions provided to him and subsequently issued a letter to the Council on 13 November with his preliminary thoughts. This comes attached to this email and has also been recently added to the Examination library as item EL5.003.

Having now considered the Inspector's comments, the Council have provided some alternative proposals and these comprise the further attachment to this email and which is in the process of being added to the Examination webpage. To assist his further deliberations, the Inspector now invites you to provide succinct comments regarding these proposals. If other colleagues within your organisation are now dealing with this topic please could I ask you to forward on this email accordingly.

Any comments should be sent directly to myself by 5.00pm on Friday 11 January – I will then circulate in full to the Inspector and the Council, and also arrange for suitable copies to be added to the Examination library. The date of 11 January is intended to provide a period of time which also compensates for the seasonal break.

Further developments regarding the progress of the Examination will continue to be updated via the usual webpage:
https://www.cravendc.gov.uk/planning/planning-policy/new-local-plan/craven-district-council-local-plan-examination/

Additionally you remain welcome to contact me directly if any more specific assistance is required.

Thank you.

Tony
